

Data Report for Superintendent White

It appears teachers are fleeing at alarming rates due to our outrageous nonsensical and grotesquely disruptive policies, rampant disregard for their welfare, disruptive and abusive handling of children as pawns and piggybanks for soulless corporations and fly-by-night profiteers and the occasional self-styled prophet. Rather than reveal the impact of your policies we recommend you argue the attrition is normal and related to pumpkinification.

This is a variant of the [Chewbacca defense](#)

We know you are a master, but please review these clips if you need some refreshers.
